x - represents a municipally adopted ordinance or plan

c - Wayne County has a Subdivision Ordinance, which is in effect in Dyberry, South Canaan Townships and Prompton Borough.

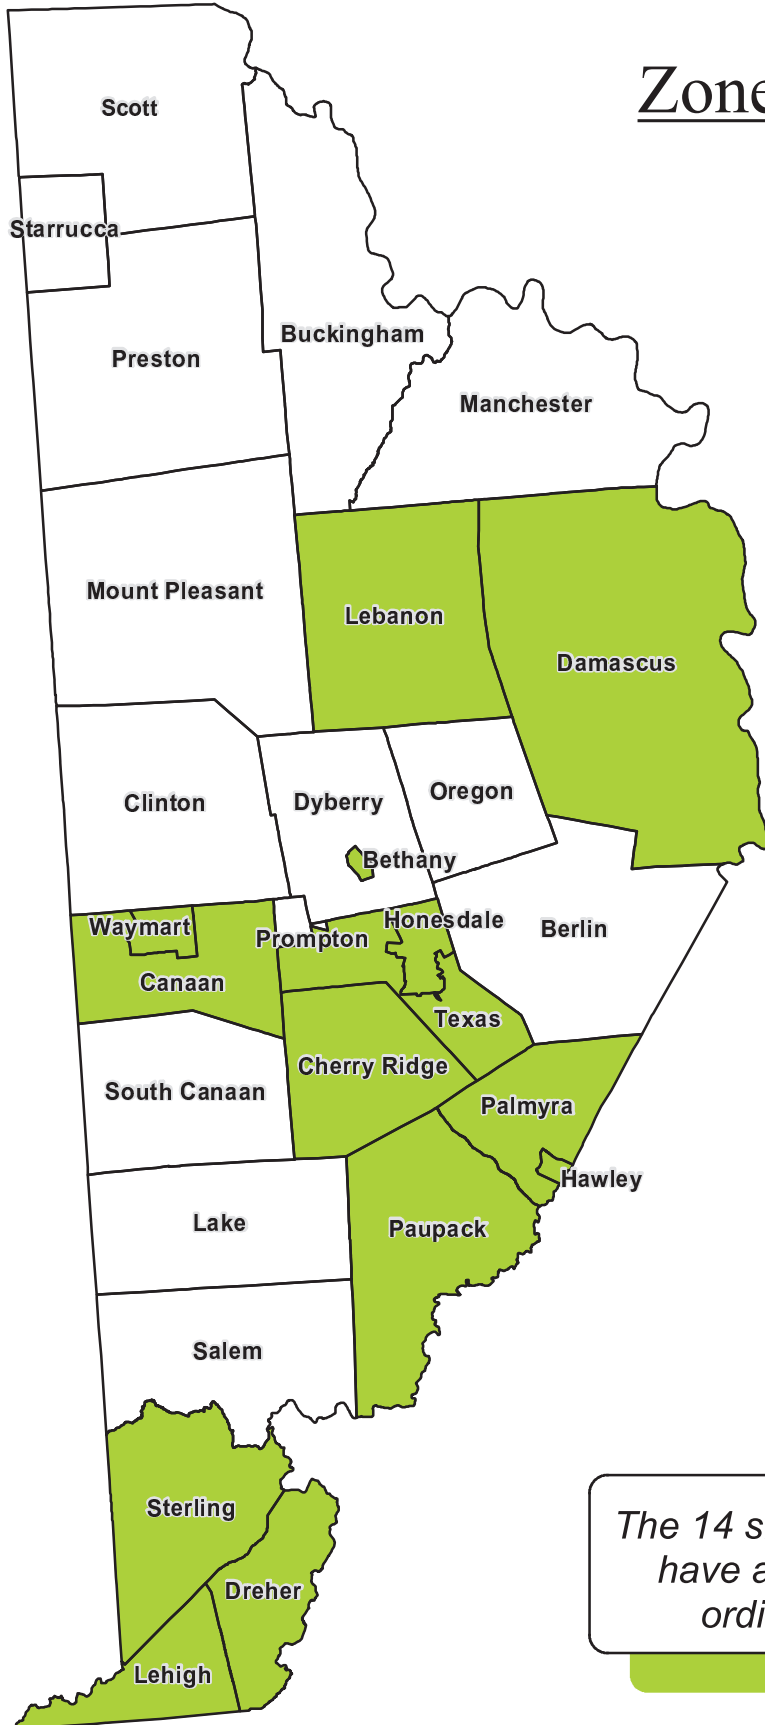

The source of this information is from a questionnaire supplied to and completed by each municipality.

*These townships/boroughs have opted out of the program and do not enforce the States Uniform Construction Code (UCC) locally. Property owners need to hire a certified third party agency to enforce the residential requirements of the UCC. The Department of Labor and Industry is responsible for commercial code enforcement.
